Free Wi-Fi access in Delft city centre

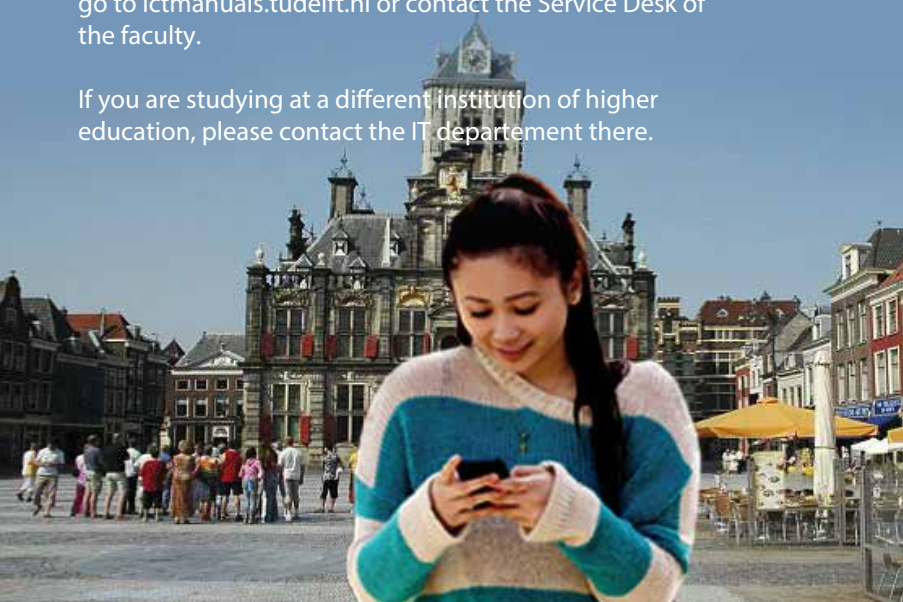

Would you like to be able to check your mail or study while sitting outside a cafe in the centre of Delft? Well, from now on, that's possible! Eduroam now gives you free and secure Wi-Fi access on the Beestenmarkt, Markt, Doelenplein and Bastiaansplein.

Haven't installed eduroam yet?

For installation manuals, students and staff of TU Delft can go to ictmanuals.tudelft.nl or contact the Service Desk of the faculty.

If you are studying at a different institution of higher education, please contact the IT department there.
