

VACCINATION CERTIFICATE TU Delft

Students that have arranged to go abroad for study or internship in a country where vaccinations are compulsory or strongly advised, can be vaccinated with reduction by the SGZ (Student Healthcare). The student will get a reduction of €50,- on the costs of vaccinations. Some insurance companies reimburse the remaining costs, depending on the insurance policy.

If you want to be eligible for this reduction on vaccinations by the SGZ you have to fill out this form, have an authorized person in your faculty sign it (signature and stamp) and sign it yourself. On www.buitenland.tudelft.nl you find at 'Step 2 Making preparations/arrangements', under 'Vaccinations' an overview of the authorized persons per faculty.

Subsequently you can make an appointment with the SGZ. It is best to make the appointment as soon as the internship is arranged. You can make the appointment by telephone (015-2121507) or internet (www.sgzopreis.nl). The address of the SGZ is: **Gezondheidscentrum de Hoed, Kampveld 10A, Delft**

You are expected to bring this form to the appointment as well as information about earlier administered vaccinations (vaccination booklet).

STUDENT INFORMATION (to be filled out by student)	
Name	
Date of birth	
Student number	
Address, postal code and country	
Telephone number	
E-mail address	

TRAVEL INFORMATION (to be filled out by student)
